LANDSCAPE DESIGN STATEMENT

- Promote Outdoor Activities: There should be chances on the property to promote communal gardens and public amenities like the clubhouse zone.
- The outdoor activities shall include children play areas, padel court, jogging tracks etc.
- Views to Outdoors from Indoors: In locations where residents may be spending considerable amounts of time, view to the outdoors can be very therapeutic and also increase the selling value of these apartments.
- Create Quiet Outdoor Spaces for recreation for all ages, Small Group interaction, and Views: Where possible seating areas with unique or beautiful views and minimal noise. In addition, outdoor gathering spaces shall accommodate groups for the purpose of building community and improving socialites.
